

Clothing

Please make sure that every item of clothing is labelled with your child's name.

Please remember that children are not allowed to wear jewellery in nursery.

We advise that long hair is tied back.

We suggest that children should wear clothing that is easy to pull down i.e. leggings, tracksuit bottoms; to help them when they go to the toilet. No belts please.

Also please ensure that children are wearing sensible shoes with easy fastenings. Thank you

Reading- We ask that you read stories and share books with your children every day.

Once the children are settled, parents will be invited to come into nursery and read with their child.

Your children can choose books to take home every day. Please return books before taking new ones.

Nursery Hours:

Morning nursery: 8.45am-11.45am

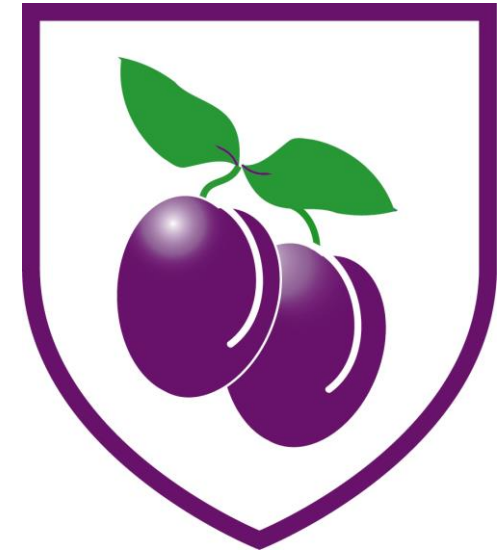

Afternoon nursery: 12.15pm-3.15pm

Full time nursery: 8.45am-3.15pm

We will not be able to let your child into nursery through the nursery gate if they are late. If a child arrives after the start of a session or is picked up late at the end of a session they will be taken to the main school office.

Thank you for your support.

Plumcroft Primary School

Class: Nursery

Teachers:

Miss Clifford and Mrs Bonner

Nursery Practitioners:

Debbie O'Connell

Navida Ahmed

Welcome to Plumcroft Nursery class. This is going to be a busy and exciting term. We hope that children settle quickly, happily and adjust to their new routines.

Our topic for this term is '**Rhyme time and festival fun**'.

Please have a look at just **some** of the things we will be learning this term.

Please remember to look out for messages on our '**parent's information board**' outside the nursery classroom.

Please remember to read stories, count, look at print, numbers and shapes in the environment with your children every day. Thank you.

Personal, Social and Emotional

- We are going to understand and settle into the new routines of our nursery.
- We are going to make lots of friends.
- We are going to develop our confidence and independence.
- We are going to explore different cultures and celebrations.

Physical development

- We are going to develop independence when going to the toilet, washing our hands and putting on our own coat.
- We will begin to use different tools to make marks.
- We will continue to develop hand/eye coordination through a range of activities.
- We are going to move our bodies in different ways, developing confidence on climbing equipment.

Communication, Language and Literacy

- We are going to develop our listening and attention skills.
- We will begin to listen to and join in with stories and rhymes.
- We will share books, discuss pictures, characters and stories.
- We will make marks and tell others what we have drawn and written.

Mathematics

- We are going to begin to learn to count to 5 and then 10 representing the numbers using our fingers, objects or marks.
- We will begin to use the term 'more' when comparing quantities.
- We will begin to recognise numerals 1-5 and beyond.
- We are going to explore shapes in 2d form.

Understanding the world

- We will make our own friends.
- We will begin to learn about and discuss 'special times' for ourselves and others.
- We will explore our nursery environment and make choices in our play.
- We will investigate a range of technological toys and real objects i.e. a camera

Expressive arts and design

- We are going to sing rhymes and songs.
- We will explore a range of construction materials to build.
- We will role play and use available resources to support our play.
- We will explore colour and learn colour names through a range of activities such as playing with malleable activities, painting, printing and much more
