'Plumcroft on Wheels'

Dear Parents and Carers

We are planning an exciting fundraising event to raise money for two very worthy causes. We will be joining forces with 'Tandem WOW' during the week of February 3rd.

Tandem WOW is an attempt by two women to cycle around the world on a tandem in record time. The Guinness Book of Records is tracking them. They are raising money for Oxfam and the Motor Neurone Disease Association.

Read about them here:

<https://www.tandemwow.com/>

This is their route:

<https://www.followmychallenge.com/live/tandemwow/>

They also give daily updates on all social media forums as well as writing a blog and have a tracker system so people can see where they've been and where they are on each day.

Plumcroft will be having our own fundraising days to support them. Children will be asked to bring in their bike or scooter to use during the daily mile instead of running. There will be scooters available for those children who do not own a bike or scooter.

We will also have a tandem on site for children and staff to have a go on.

In addition to this, we will be asking adults and Year 6 children to 'pedal for pounds' on a static bike so we can attempt to replicate one section of TandemWOW's journey. We would like as many people to take part as possible so that we can have a constant rider on the static bike. We will be sending out information about how to sign up very soon. We know we have some keen adult cyclists out there in the Plumcroft community!

There will be a letter coming home soon with more details about the event. In the meantime – we are hoping children will get practicing on their bikes and scooters!

Laura Ings (PE Coordinator)

Maria Taylor (Assistant Head Inclusion)
