## Scott and Gary's Science Club for KS1 At Plumcroft Primary School

From Thursday 17<sup>th</sup> January 2019 for 4 weeks, Gary & Scotty will be returning with their 'Fun After School Science Club' at Plumcroft Primary School for KS1 pupils. Over the four Thursdays, the children will have the opportunity to make / play and learn about different topics in the Science Curriculum. Each session will also be supported by a member of school staff.

There will be something different each week & don't worry if you have been a member before because the workshops will be different this time. Plenty of hands-on projects – a great fun way to learn. They can take home any items that they make and each week they will have a simple project to do at home as a follow up.

The club will run after school from 3.20pm to 4.15pm.

The total cost per child is £16 for the 4 weeks. (£4 per week)

(cash only) payable in advance with the completed application form.

Please book early as the club is limited to 30 places. All application forms must be back into school by Friday 21<sup>st</sup> December 2018. Please return the form with £16 in an envelope to the office marked SCIENCE CLUB.

Please note if you do not send the money in WITH the form, your place is not guaranteed. You will receive confirmation if your child has a place.
