Dear Parents/Carers

Science Museum trip

To further our work on Forces and Magnets as part of our science curriculum this term, we will be visiting the science museum in Kensington, west London. Children complete follow up activities based on this educational trip. Two classes will go together on two days. We will be walking down to Woolwich Arsenal Station, then travelling by train to Cannon Street and underground tube to South Kensington. We will be leaving school **promptly at 8.50 am** on the day of our trip and return at **approximately 4.30pm**.

The children will need to bring a packed lunch and drinks for the day. No fizzy drinks, cans or glass containers please. Also, in our unpredictable weather, please can your child bring a suitable coat/jacket, comfortable footwear and school uniform.

As we have booked the 'Feel the Force' show, we are asking for a voluntary contribution of £4 to cover this cost.
