

This week in Spelling, we have been learning the names of the months of the year. As an extra challenge, I have added the days of the week. Can you colour the days of the week in pink and the months blue?

Sunday	Thursday	Saturday	April	January
October	August	July	June	Tuesday
Friday	December	May	Wednesday	March
September	Monday	February	November	

Below, can you write the days of the week in the correct order?

Blank boxes for writing the days of the week in order. The bottom two boxes are shaded grey.

On the next page are the months of the year. Can you cut and stick the months of the year in the correct order in your book/sheet?

Finally, draw a birthday cake on the month of your birthday!

January

March

February

April

May

July
