

LI: Can I identify and use pronouns?

Activity 1

Complete these sentences by adding a pronoun on the line. There are some pronouns given below to help you.

1. Jack finished the book and then put the book in _____ bag.
2. Sarah liked drinking coffee but _____ favourite drink was tea.
3. We took the car to the garage because _____ needed fixing.
4. _____ was playing football in the park after school.
5. _____ ran through the forest and got _____ shoes muddy.
6. Kate was excited to go on the aeroplane because _____ had never been on one before

her	their	his	they	she	he	it
-----	-------	-----	------	-----	----	----

Activity 2

Read the following paragraph and underline the pronouns you can find.

Joyfully, he boy kicked his football to his friend Amelia. Immediately, she kicked it back using her left foot and it went rolling down the hill. Together, they went chasing after it. Unfortunately, they forgot to pick up their coats, which went flying in the wind whilst they were chasing the ball. "Where has your ball gone?" She asked him anxiously. He didn't reply but he pointed to a hole in an enormous fence. The fence belonged to Mr Smith's house. It was the largest, scariest house in the street and he was the meanest, grumpiest man in the street. Nervously, they both walked towards his door.

Activity 3

Continue the story from Activity 2 and write at least 5 of your own sentences using pronouns. Underline the pronouns in each sentence. Can you also add expanded noun phrases and fronted adverbials to make your writing interesting?
