

Answers to Modal verb tasks

Task 1

Yesterday morning, she went swimming with her friends and found she could swim 20 lengths of the pool.

I will be sick if I ride that rollercoaster anymore.

Jeremy should drop his little brother to the school gates before going to work.

Learning your times tables is something you must do in order to get better in maths.

Task 2

I could learn the guitar, but I'm too busy at the moment.

I might become famous and move to Australia one day.

For all we know, that may be the quickest route after all!

As it is an emergency, I will get there as quickly as I can.

Can you sit still while I check your shoes are laced properly?

(note: there are other combinations that would work – e.g. answer 1 and 2 could switch around and still be correct)

Task 3

Please feel free to email your stories to Miss Morgan who would love to read them!

Alternatively, save them for your return to school!
