

The

Gingerbread Man

STEPS 2018

A long time ago an

old woman and an old man

lived in a cottage near

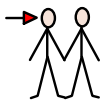

the river. One day the

old woman decided to make

a gingerbread man for

them to eat.

She mixed flour, butter and

eggs in a bowl and rolled

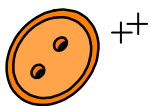

out the dough. She cut out

a gingerbread man, she gave

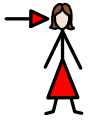

him blueberries for eyes,

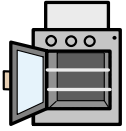

buttons for mouth and icing

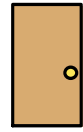

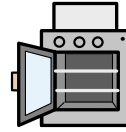

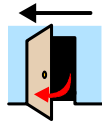

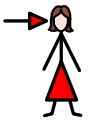

for clothes.

She put the him in the

oven. When it was ready,

she opened the oven door

but the gingerbread man

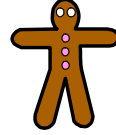

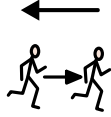

jumped out and shouted ,

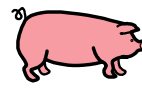

"don't eat me!"

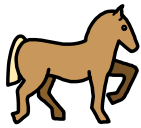

The old woman and the

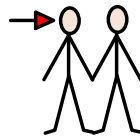

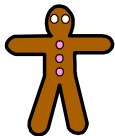

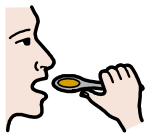

old man chased him, but

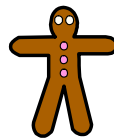

he ran away; a pig, a

horse and a cow tried to

eat him but they

couldn't catch him.

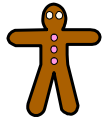

The gingerbread man got to

the river bank and saw a

fox who promised not to

eat him. The fox helped

him cross the river but

then gobbled up the

gingerbread man.
