Dear parents, carers and children

Given the events currently happening in America, we wanted to add our collective voice to the worldwide condemnation of racism.

As a school community, we promote equality at all times. We will strengthen our shared resolve to combat all forms of racism. We will also continue to actively promote and teach an anti-racist programme within our curriculum. At a time like this, it's more important than ever to remember our Plumcroft core values of Kindness, Equality, Courage, Determination and Creativity.
