Parking Enforcement Cameras installed by Council

12th June 2020

Dear parents, carers and children

It's taken more than 8 years to get to this point but we're finally there !! The attached images show the Parking Enforcement Cameras that the Local Authority have just installed on Nithdale Road and Plum Lane. More cameras are being installed on Genesta Road to cover outside the main entrance and the Astro playground entrance where additional yellow zig-zags are being painted.

Apart from being a big step forward in trying to make the roads around the school safer and the air cleaner, I wanted to make all parents and carers aware that if you park illegally then you will simply get a ticket sent to you by the council – you will be fined and there will be photo & video evidence. Any questions should be directed to Greenwich Council who will be operating the system.

The parking enforcement cameras will be watching at ALL times. I'd therefore ask that as we begin to reopen the school to all Year 5 and Year 6 pupils, everyone parks legally and away from the school. A short walk must be preferable to an expensive parking fine.

The vast majority of Year 5 parents have already confirmed that their children will be returning to school on Monday 22nd June. We will be contacting Year 6 parents this week to confirm that your children will also be returning on Monday 6th July.

I'll be sending out some extra information (including short videos of the school environment) for parents of Year 5 & Year 6 pupils. Hopefully this will reassure you that the school is a safe place for your children. We're all looking forward to seeing you again soon.

Regards

Richard Slade
Headteacher
