Welcome back Year 6

3rd July 2020

Dear Year 6 parents & carers

From next Monday 6th July, we will be welcoming back all our Year 6 pupils as well as continuing to support our Year 5 pupils, keyworker and vulnerable families. We need to make the following changes to keep all the children safe (**Note the staggered entry times for Year 6**):

Please remember – Parking Enforcement Cameras have been installed on Nithdale Road, Plum Lane & Genesta Road, so please avoid an expensive fine - park legally and away from the school.

Year 6 will come into school via the Astro playground entrance. We would ask for your patience at the start and end of each day as it will take a bit of time.

Once the Astro playground gate is open, please stand around the edge of the playground next to one of the 2m distancing marks. If all spaces are taken then please wait on the distancing circles on the pavement.

You will be called forward so you can use hand sanitiser and have your temperature taken as you come into the school building. To reduce the number of children waiting in the playground, we have staggered the entry and home times. We'd ask any parents who are dropping-off or collecting their child to wait by one of the distancing lines around the edge of the Astro playground.

Class	6B	6H	6JB
Time In	8:45am	8:45am	9:00am
Time out	3:00pm	3:00pm	3:15pm

Please make sure your child wears school uniform each day and brings in a **packed lunch** and a named bottle of water every day. If your child is entitled to a free school meal then we will provide a packed lunch for them.

Year 6 children and our Year 5 children (*except our keyworker & vulnerable children*), will be in school on Monday, Tuesday, Thursday and Friday each week. This enables a more complete clean of the buildings every Wednesday. Go to the school website for more information and a short update video just for Year 6.

Regards

Richard Slade
