

**Annual Governance Statement for the Governing Board of  
Plumcroft Primary School  
2021/22**

The Governing Board of Plumcroft Primary School has a strong focus on the three core strategic functions:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the Headteacher to account for the educational performance of the school and its pupils and the performance management of staff;
3. Overseeing the financial performance of the school and making sure its money is well spent.

**Governance Arrangements**

The full governing board meets once each term. There are two committees that meet on a termly basis – the Curriculum & Achievement Committee and the Achievement and the Finance & Resources Committee. The governing board also has a Pay and Pay Appeals Committee which meet annually. Full governing board meetings and all committee meetings are professionally clerked and agendas and approved minutes are kept in the school office. Each committee has terms of reference.

Governors are also linked to areas or aspects of the school. Governors who visit the school provide a written report which is shared with the governing board.

A list of governing board members is available on the school website. Governors have a wide spread of knowledge and expertise and are part of the committees which utilise their skills.

Attendance at meetings is very good and an attendance grid is available on the school website (About Us / Our Governors).

**Key issues addressed by the governing board 2020-21**

The governing board has fulfilled its statutory duties in terms of monitoring all areas of the school's work and offering support and challenge through the agreed agendas of each committee and the agendas of full governing board meetings. Some of the areas covered this year:

- Rigorous School Improvement Plan – input from a variety of stakeholders and a monitoring cycle to ensure there is impact against priority areas
- Monitoring the use of Pupil Premium funding (statement available on the school website)
- Monitoring the use of the Sports Premium funding (statement available on the school website)

They consider a range of documents and data provided by the school in order to judge the impact of strategies within the school.</p> <p>Governors also visit the school to meet with staff to gain a greater understanding of the school and the on-going requirement to raise standards. The school's Improvement Partner provides notes of visit which are considered at governing board meetings.</p> <p>Governors monitor finance stringently to ensure the school's budget is spent to achieve the best possible outcomes for students.</p>
<b>Future plans for the governing board</b>	<p>The governing board will continue its work in line with the government agenda.</p> <p>An area of particular focus for the school's Senior Leadership Team and governors is the new School Development Plan. Detailed plans are being developed for each learning phase, in partnership between staff and governors.</p> <p>The governing board is keen to continue enhancing its partnership with a local Secondary School, Plumstead Manor, and will further connections with other schools to discuss best practices.</p>
